## 2. HAZARD IDENTIFICATION

This product is classified under 29CFR 1910.1200(d) and the Canadian Hazardous Products Regulation as follows:.

**Hazard Category**

Eye Damage / Irritation Category 2A

**Signal Word**

WARNING

**Hazard Statements**

Causes serious eye irritation

**Hazard pictograms**

**Precautionary Statements**

None

**Precautionary Statements -**

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if

**Response** present and easy to do. Continue rinsing  
If eye irritation persists: Get medical advice/attention  
IF SWALLOWED:  
Drink 1 or 2 glasses of water

**Precautionary Statements - Storage** None

**Precautionary Statements - Disposal** None

**Hazards not otherwise classified (HNOC)** None

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

**Ingredients are listed according to 29CFR 1910.1200 Appendix D and the Canadian Hazardous Products Regulation**

**Hazardous ingredients** None.

| Chemical Name                                                 | Synonyms                                                               | Trade Secret | CAS-No     | Weight-%  |
|---------------------------------------------------------------|------------------------------------------------------------------------|--------------|------------|-----------|
| 2-(2-Butoxyethoxy ethanol) Diethylene glycol monobutyl ether  | Butoxydiglycol                                                         | Yes          | 112-34-5   | 5 - 10    |
| Benzenesulfonic acid, (1-methylethyl)-, sodium salt (1:1)     | Benzenesulfonic acid, (1-methylethyl)-, sodium salt (1:1)              | Yes          | 28348-53-0 | 3 - 7     |
| Tetrasodium ethylenediaminetetraacetate                       | Glycine, N,N'-1,2-ethanediylbis[N-(carboxymethyl)-, sodium salt (1:4)] | Yes          | 64-02-8    | 1 - 5     |
| Sodium carbonate                                              | Carbonic acid sodium salt (1:2)                                        | Yes          | 497-19-8   | 0.5 - 1.5 |
| Benzenesulfonic acid, mono-C10-16-alkyl derivs., sodium salts | Benzenesulfonic acid, mono-C10-16-alkyl derivs., sodium salts          | Yes          | 68081-81-2 | 0.5 - 1.5 |

**Additional information** Actual concentrations withheld as trade secret in accordance with Canadian HPR

### 4. FIRST AID MEASURES

#### First aid measures for different exposure routes

**Eye contact** Rinse with plenty of water. Get medical attention immediately if irritation persists.

**Skin contact** Rinse with plenty of water. Get medical attention if irritation develops and persists.

**Ingestion** Drink 1 or 2 glasses of water. Do NOT induce vomiting. Get medical attention immediately if symptoms occur.

**Inhalation** Move to fresh air. If symptoms persist, call a physician.

**Most important symptoms/effects, acute and delayed** None under normal use conditions.

#### F. Indication of immediate medical attention and special treatment needed, if necessary

**Notes to Physician** Treat symptomatically.

### 5. FIRE-FIGHTING MEASURES

**Suitable extinguishing media** Dry chemical, CO<sub>2</sub>, alcohol-resistant foam or water spray.

|                                                       |                                                                                                                                        |
|-------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unsuitable Extinguishing Media</b>                 | None.                                                                                                                                  |
| <b>Special hazard</b>                                 | None known.                                                                                                                            |
| <b>Special protective equipment for fire-fighters</b> | As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear. |
| <b>Specific hazards arising from the chemical</b>     | None.                                                                                                                                  |

## 6. ACCIDENTAL RELEASE MEASURES

### Personal precautions, protective equipment and emergency procedures

|                                        |                                                                                 |
|----------------------------------------|---------------------------------------------------------------------------------|
| <b>Personal precautions</b>            | Use personal protective equipment. Do not get in eyes, on skin, or on clothing. |
| <b>Advice for emergency responders</b> | Use personal protective equipment as required.                                  |

### Methods and materials for containment and cleaning up

|                                |                                                                                                                                                                                                                                 |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Methods for containment</b> | Absorb with earth, sand or other non-combustible material and transfer to containers for later disposal.                                                                                                                        |
| <b>Methods for cleaning up</b> | Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). |

## 7. HANDLING AND STORAGE

### Precautions for safe handling

|                                |                                                                                                                                                                                 |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Advice on safe handling</b> | Use personal protective equipment as required. Keep container closed when not in use. Never return spills in original containers for re-use. Keep out of the reach of children. |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Conditions for safe storage, including any incompatibilities

|                              |                                                                          |
|------------------------------|--------------------------------------------------------------------------|
| <b>Storage Conditions</b>    | Keep containers tightly closed in a dry, cool and well-ventilated place. |
| <b>Incompatible products</b> | None known.                                                              |

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

### Control parameters

### Exposure Guidelines

| Chemical Name                                                   | CAS-No   | ACGIH TLV                                | OSHA PEL | Mexico PEL |
|-----------------------------------------------------------------|----------|------------------------------------------|----------|------------|
| 2-(2-Butoxyethoxy ethanol)<br>Diethylene glycol monobutyl ether | 112-34-5 | TWA: 10 ppm inhalable fraction and vapor |          |            |

  

| Chemical Name                                                   | CAS-No   | Alberta | Quebec | Ontario TWAEV | British Columbia |
|-----------------------------------------------------------------|----------|---------|--------|---------------|------------------|
| 2-(2-Butoxyethoxy ethanol)<br>Diethylene glycol monobutyl ether | 112-34-5 |         |        | TWA: 10 ppm   |                  |

No relevant exposure guidelines for other ingredients

### Exposure controls

|                             |                                                                                       |
|-----------------------------|---------------------------------------------------------------------------------------|
| <b>Engineering Measures</b> | <b>Distribution, Workplace and Household Settings:</b><br>Ensure adequate ventilation |
|-----------------------------|---------------------------------------------------------------------------------------|

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction

#### Personal Protective Equipment

##### **Eye Protection**

**Distribution, Workplace and Household Settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Use appropriate eye protection

##### **Hand Protection**

**Distribution, Workplace and Household Settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Protective gloves

##### **Skin and Body Protection**

**Distribution, Workplace and Household Settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
Wear suitable protective clothing

##### **Respiratory Protection**

**Distribution, Workplace and Household Settings:**  
No special protective equipment required

**Product Manufacturing Plant (needed at Product-Producing Plant ONLY):**  
In case of inadequate ventilation wear respiratory protection

## 9. PHYSICAL AND CHEMICAL PROPERTIES

#### **Physical State @20°C**

Liquid

#### **Appearance**

purple

#### **Odor**

Scented

#### **Odor threshold**

No information available

#### Property

#### Values

#### Note

#### **pH value**

10.4

#### **Melting Point / Freezing Point**

No information available

#### **Boiling point / boiling range**

No information available

#### **Flash point**

> 93.3 °C / > 200 °F

#### **Evaporation rate**

No information available

#### **Flammability (solid, gas)**

No information available

#### **Flammability Limits in Air**

##### **Upper flammability limit**

No information available

##### **Lower Flammability Limit**

No information available

#### **Vapor pressure**

No information available

#### **Vapor density**

No information available

#### **Relative density**

1.12

#### **Water solubility**

100%

#### **Partition coefficient: n-octanol/water**

No information available

#### **Autoignition temperature**

No information available

#### **Decomposition temperature**

No information available

#### **Viscosity**

No information available

#### **VOC Content (%)**

Products comply with US state and federal regulations for VOC content in consumer products.

## 10. STABILITY AND REACTIVITY

|                                         |                                          |
|-----------------------------------------|------------------------------------------|
| <b>Reactivity</b>                       | None under normal use conditions.        |
| <b>Stability</b>                        | Stable under normal conditions.          |
| <b>Hazardous polymerization</b>         | Hazardous polymerization does not occur. |
| <b>Hazardous Reactions</b>              | None under normal processing.            |
| <b>Conditions to Avoid</b>              | None under normal processing.            |
| <b>Incompatible materials</b>           | None in particular.                      |
| <b>Hazardous Decomposition Products</b> | None under normal use conditions.        |

## 11. TOXICOLOGICAL INFORMATION

### Product Information

#### Information on likely routes of exposure

|                     |                                |
|---------------------|--------------------------------|
| <b>Inhalation</b>   | No known effect.               |
| <b>Skin contact</b> | No known effect.               |
| <b>Ingestion</b>    | No known effect.               |
| <b>Eye contact</b>  | Causes serious eye irritation. |

#### Delayed and immediate effects as well as chronic effects from short and long-term exposure

|                                          |                                |
|------------------------------------------|--------------------------------|
| <b>Acute toxicity</b>                    | No known effect.               |
| <b>Skin corrosion/irritation</b>         | No known effect.               |
| <b>Serious eye damage/eye irritation</b> | Causes serious eye irritation. |
| <b>Skin sensitization</b>                | No known effect.               |
| <b>Respiratory sensitization</b>         | No known effect.               |
| <b>Germ cell mutagenicity</b>            | No known effect.               |
| <b>Neurological Effects</b>              | No known effect.               |
| <b>Reproductive toxicity</b>             | No known effect.               |
| <b>Developmental toxicity</b>            | No known effect.               |
| <b>Teratogenicity</b>                    | No known effect.               |
| <b>STOT - single exposure</b>            | No known effect.               |
| <b>STOT - repeated exposure</b>          | No known effect.               |
| <b>Target Organ Effects</b>              | No known effect.               |
| <b>Aspiration hazard</b>                 | No known effect.               |
| <b>Carcinogenicity</b>                   | No known effect.               |

### Component Information

## 12. ECOLOGICAL INFORMATION

### Ecotoxicity

The product is not expected to be hazardous to the environment.

|                                      |                           |
|--------------------------------------|---------------------------|
| <b>Persistence and degradability</b> | No information available. |
| <b>Bioaccumulative potential</b>     | No information available. |
| <b>Mobility</b>                      | No information available. |
| <b>Other adverse effects</b>         | No information available. |

### 13. DISPOSAL CONSIDERATIONS

#### Waste treatment methods

|                                                                 |                                                                                                     |
|-----------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| <b>Waste from Residues/Unused Products</b>                      | Disposal should be in accordance with applicable regional, national and local laws and regulations. |
| <b>Contaminated packaging</b>                                   | Disposal should be in accordance with applicable regional, national and local laws and regulations. |
| <b>California Hazardous Waste Codes (non-household setting)</b> | 331                                                                                                 |

### 14. TRANSPORT INFORMATION

|                    |               |

### 15. REGULATORY INFORMATION

#### U.S. Federal Regulations

##### **SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product contains a chemical or chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372:

##### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

##### **Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)**

This product contains the following substance(s) which are either listed as hazardous air pollutants (HAPS) or VOC's per the Clean Air Act:

##### **Clean Water Act**

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

##### **California Proposition 65**

This product is not subject to warning labeling under California Proposition 65.

##### **U.S. State Regulations (RTK)**

| Chemical Name  | CAS-No   | Pennsylvania |
|----------------|----------|--------------|
| 2-Aminoethanol | 141-43-5 | X            |

### International Inventories

#### **United States**

All intentionally-added components of this product(s) are listed on the US TSCA Inventory.

#### **Canada**

This product is in compliance with CEPA for import by P&G.

#### Legend

United States Toxic Substances Control Act Section 8(b) Inventory (TSCA)

**CEPA** - Canadian Environmental Protection Act

## 16. OTHER INFORMATION

#### HMIS Ratings

|                 |   |
|-----------------|---|
| Health hazard   | 2 |
| Flammability    | 1 |
| Physical hazard | 0 |

#### NFPA Ratings

|               |   |
|---------------|---|
| Health hazard | 2 |
| Flammability  | 1 |
| Instability   | 0 |
