

MATERIAL SAFETY DATA SHEET PAGEMAX 10112

Section 1 – Identification

Product Name: Description: PageMax Item Number: PageMax Replacement Toner Cartridge Dry Black Thermoplastic Powder 10112

Section 2 – Ingredients of Toner

Principal Components:	Weight %
Styrene Acrylic Copolymer	< 95
Carbon Black*	< 10
Polypropylene	< 2
Organic Pigment	< 1
Amorphous Silica	< 1
I	*ACGIH TLV 3.5mg/m ³

Section 3 – Physical Data

Boiling Point (°C): Melting Point (°C): Vapor Density (Air = 1): Solubility In Water: Solubility In Organic Solvents:

Specific Gravity (H₂O = 1): Percent Volatile By Volume (%): Evaporation Rate (Butyl Acetate = 1): pH In Concentrate: pH In Dilution As Used: Appearance and Odor: Not applicable for solid mixtures Less than negligible Not applicable Less than negligible Soluble in some solvents 1.25 – 1.65

Less than negligible Less than negligible Can not be determined Can not be determined Fine powder with slight odor

This information relates only to the specific material designated and may not be valid for such material used in conjunction with any other material or in any process. And, it is based on the level of our knowledge as of the date of preparation (5/1/01). The information is provided without any warranty express or implied, regarding its correctness and do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the product.

Flash Point (Method Used):	xplosion Hazard Data Not applicable, melting starts at 100 degrees C and
T '4' (T) (higher.
Ignition Temperature: Flammable Limits:	Not applicable Not known
Extinguishing Media:	CO ₂ Water Dry Chemical Extinguisher
Special Fire fighting Procedure:	None Ressible conditions could success a day dust
Unusual Fire and Explosion Hazards:	Possible conditions could create a dry dust explosion; avoid sources of ignition.
Section 5 – Hea	alth Hazard Data
Exposure Limits:	No known health hazard when used as intended in a printing device.
Effects of Overexposure:	
Inhalation:	Gasping & coughing – don't breath toner in.
Eye Contact:	Wash eyes as with any other material that irritates
<u>01</u>	no hazard.
Skin:	Wash with cold water and soap; no known hazard
Emergency & First Aid Procedures: Toxicity Data	Nogotivo Mutagonioity (Amos Tost Nogotivo)
Toxicity Data	Negative Mutagenicity (Ames Test Negative)
	Reactivity Data
Stability:	Stable
Incompatibility:	Strong Oxidizers
Hazardous Decomposition Products:	Combustion will produce Carbon Dioxide and
Hazardous Polymerization:	Carbon Monoxide. Will not occur.
	e use or Handling
Steps taken in case material is released or spilled:	Avoid inhalation: sweep material up.
Waste disposal Method:	This product may be produced with plastic and/or
	metal. Disposal may be subject to federal, state or local laws.
	Protection Information
Respiratory Protection:	None required during printing cycle. Avoid heavy
Ventilation:	inhalation of product. Good general ventilation.
Protective Gloves:	None required. If stained –soap and water
Eye Protection:	None required. Avoid airborne particles.
Other Protective Equipment:	None required.
Section 9 – Sno	ecial Precautions
Handling and storing:	Keep out of reach of children. Keep from
	contacting oxidizing materials, Avoid dusting.
